The term spirit means "animating or vital principle in man and animals". It is derived from the Old French espirit, which comes from the Latin word spiritus (soul, courage, vigor, breath) and is related to spirare (to breathe). In the Vulgate the Latin word spiritus is used to translate the Greek pneuma and Hebrew ruach. The term "spiritual", matters "concerning... His views on art were expressed in his “Concerning the Spiritual in Art” book. He believed spiritual and transcendent content is a crucial part of the painting. The content can be expressed most accurately by the direct psychophysical influence of pure color accords and visual rhythms. His “impressions,” “improvisations” and “compositions,” as Kandinsky used to title his series Music, art, and fine literature all lift you somewhat from the mundane into a less physical form of enjoyment. Then there’s the pleasure of a delightful nugget of wisdom. Or the spiritual delight that comes from helping out another living being.20.
